SPRING, 1927—PRICE LIST
THE BEVERLY NURSERIES
 BEVERLY, N. J.

5 Per Cent Discount on All Cash Orders Received Before March 7th

Listed here are the prices of Beverly Quality Evergreens, Shade Trees, Shrubs, and Hardy Perennials. The list does not contain the prices of all the varieties nor of the larger sizes; if there is any variety or size you desire that is not listed here we shall be glad to quote you upon request.

To find the prices of any Trees, Shrubs, etc., listed in "The Beverly Tree Guide," note the general headings: "Beverly Evergreens," "Ornamental Deciduous Trees," and the like, just as in the Guide. Under each classification according to the general headings will be found listed in alphabetical order the trees or plants belonging to that class. At the top of the group are the sizes arranged as column heads. The price of each variety will be found beside the name of the tree or plant under the proper column heading for the size desired.

The prices given here are for Spring, 1927, but, due to conditions beyond our control, it may become necessary to change the prices of certain items, and we reserve the right to do so.

Please keep your copy of "The Beverly Tree Guide." New price lists to replace this will be sent you from season to season. Should your copy be mislaid, we shall gladly send you another. Have you a friend who would be interested in "The Beverly Tree Guide"? If so, we shall consider it a great favor if you will send us your friend's name and address, so that a copy can be sent.

For the Owner of the Small Garden who desires Fruit Trees that will bear in a very short time we particularly recommend our three and four-year-old stock. It is giving excellent results.

Landscape Architects will find that we can make them some very attractive offers if they will submit their planting lists to us.

Commercial Fruit Growers will find that we can offer them excellent stock at very reasonable prices if they will submit us a list of their requirements.

BEVERLY EVERGREENS

Prices of larger sizes than those listed quoted upon application.
We can supply other varieties than those listed. Prices on application.

Variety	10-12"	12-15"	15-18"	1½'-2'	2-2½'	2½'-3'	3-3½'	3½'-4'

T. vulgaris. European Linden....	4.75	6.00	8.00	9.50
Ulmus americana. American Elm....	2.15	3.00	4.25	5.25	6.50

If five (5) or more of the **same size and variety** are ordered from the above list 10% of the price; if twenty-five (25) or more of the **same size and variety** are ordered, deduct 20% of the price. For instance, if five (5) trees, selling for \$5.00 each are ordered, they will cost \$4.50 each or \$22.50. If twenty-five (25) are ordered, they will cost \$4.00 each, or \$100, a decided saving.

Other Varieties and Larger Sizes of most of the above can be supplied; prices on application.

It will be found in the larger sizes of Deciduous Trees, 1¼ inch and more in caliper, that the heights vary to some extent. Where the caliper (diameter of the trunk just above the ground surface) is given, this will govern the grade of the tree rather than the height. The heights mostly conform to the above table; a notable exception being the Oaks, which are not so tall by a foot or two as is shown in the table.

BEVERLY DECIDUOUS SHRUBS
